III International Alfonso XII Award^(*) to the excellence in the subterranean world (research, conservation and enhancement of the subterranean environment)

Calls

Asociación de Cuevas Turísticas Españolas (ACTE).

Supporting and collaboration

International Show Caves Association (ISCA), Asociación de Cuevas Turísticas Iberoamericanas (**actiba**), Instituto Geológico y Minero de España (IGME).

Aim

Giving the maximum existing recognition in the international scope to those people or institutions that have contributed in a specially relevant manner to the exploration, knowledge, research, protection, spreading or enhancement of the subterranean environment, and also the cultural and natural heritage related to it.

Scope

International, without any kind of limitations.

Jury

It will be formed by personalities of recognized prestige in the subterranean world, who will represent its different aspects, specially the ones referred to the scientific research, heritage protection and the impulse of the sustainable tourism.

Award

The award, with unique and indivisible character, will be composed by an official diploma and a bronze sculpture, representative from the subterranean world and created by a prestigious artist.

Candidatures

Can be proposed by any person, entity or institution. With the candidatures, a curriculum vitae of the candidate (person or institution) will be delivered, and also the corresponding recommendation letters or support.

Deadline and presentation situation

The candidatures can be presented until 14.00 h. of 30th April 2018. They will be sent to the attention of ACTE's Vicepresident, Sr. D. Juan José Durán Valsero, c/ Ríos Rosas, 23, 28003 Madrid, by certificated mail o messenger company.
