CALL

Call

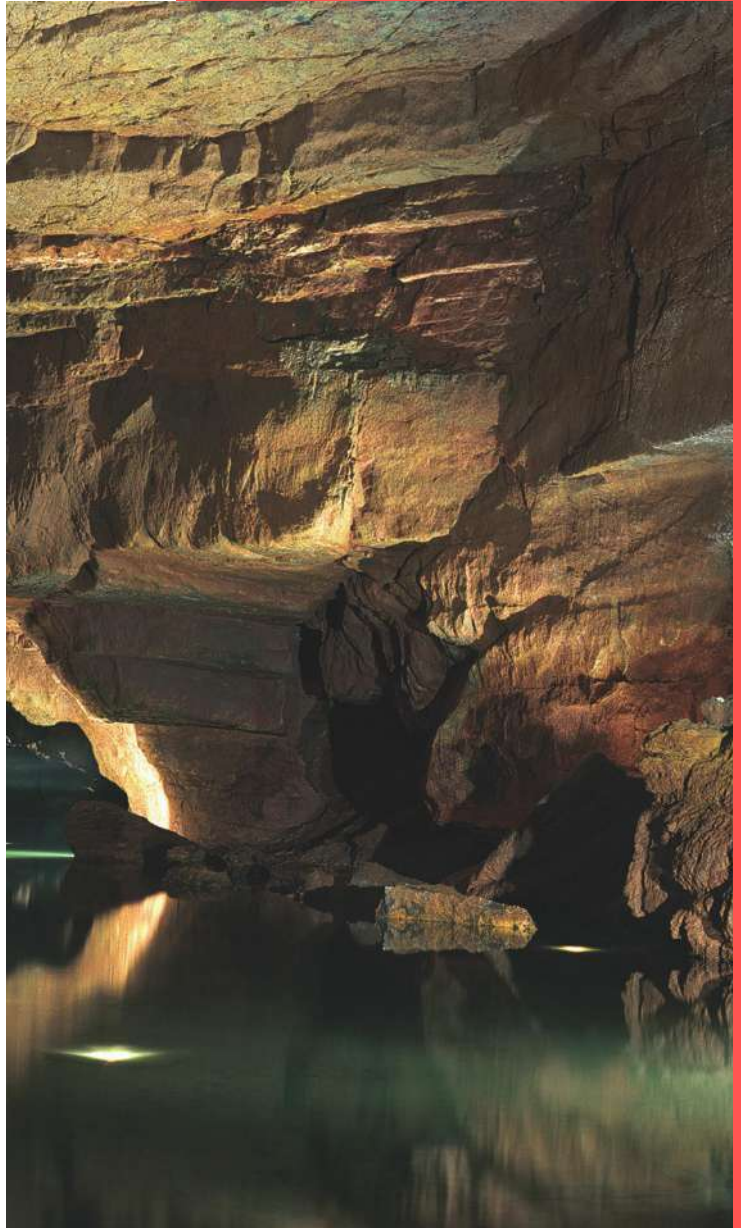

Asociación de Cuevas Turísticas Españolas (ACTE).

Supporting and collaboration

International Show Caves Association (ISCA), Asociación de Cuevas Turísticas Iberoamericanas (actiba) and Instituto Geológico y Minero de España (IGME).

Aim

Giving the maximum existing recognition in the international scope to those people or institutions that have contributed in a relevant manner to the exploration, knowledge, research, protection, spreading or enhancement of the subterranean environment, and also the cultural and natural heritage related to it.

CALL

Scope

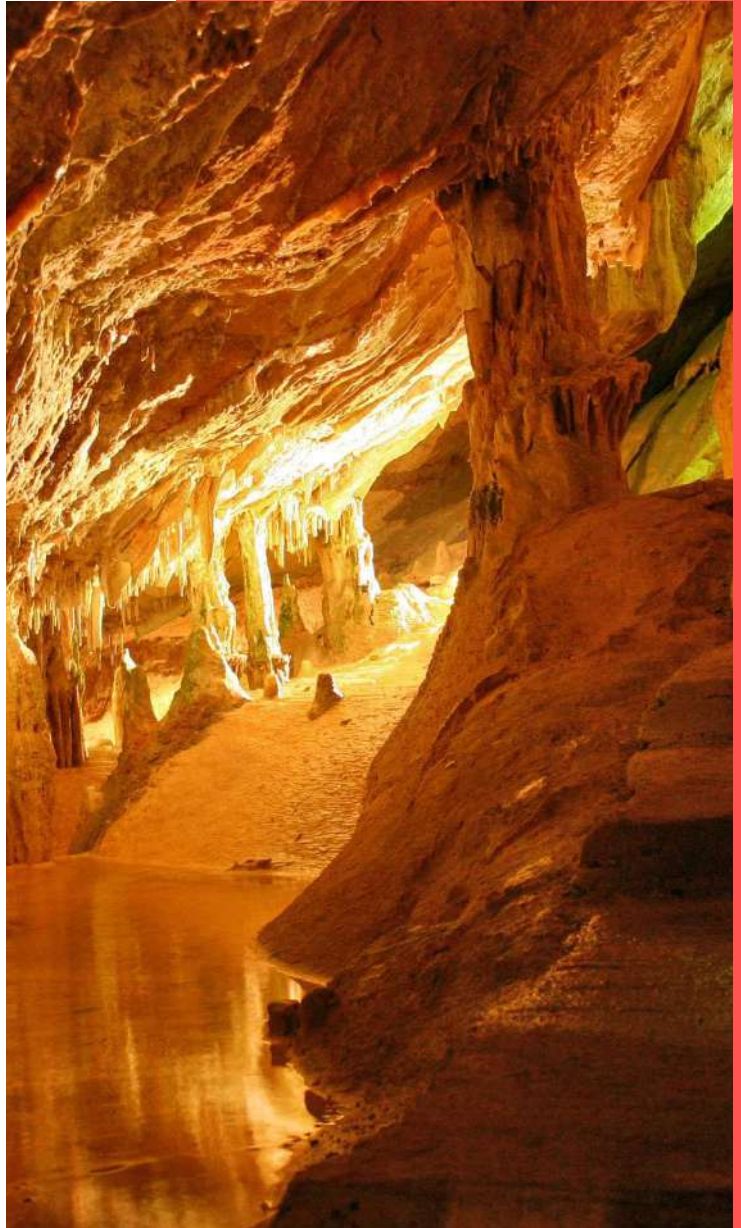

International, without any kind of limitations.

Jury

It will be formed by personalities of recognized prestige in the subterranean world, who will represent its different aspects, specially the ones referred to the scientific research, heritage protection and the impulse of the sustainable tourism.

Award

The award, with unique and indivisible character, will be composed by an official diploma and a bronze sculpture, representative from the subterranean world and created by a prestigious artist.

CALL

Candidatures

Candidatures can be proposed by any person or institution. WitA curriculum vitae of the candidate (person or institution) will be included in the candidature, and also the corresponding recommendation letters or support.

Deadline and presentation situation

The candidatures can be presented until December 2020, the 30th. They will be sent to to the attention of ACTE Vicepresident, Sr. D. Juan José Durán Valsero, Ríos Rosas St., 23, ZIP Code 28003 (Madrid), by certificated mail o delivery company.
